

Group: Flourish (baking it happen)

Purpose: *"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago." Ephesians 2:10 NLT*

Like cake decorating, if we don't have all the tools necessary, the finished product will be a complete mess. But if we have everything needed and practice we can create a masterpiece. Same is true in life; without allowing God to be our focus our life can get messy but with God things will work out in his timing and purpose. Join "Flourish" – we will fellowship about every day trials, strengthen our faith and develop our skills as we decorate cupcakes or cakes. Then we will enjoy a portion of the fruit of our labor while the other portion will be shared as a joyfully sweet blessing for others.

Demographic: Anyone who would like to further their decorating skills and bless others with sweet treats.

Leaders: Christine Torres and Terrie Harris

Meeting Information: We will meet quarterly.

Type of Group: Open (join anytime)

Additional Information: You will need to provide an undecorated cake or cupcakes for each class.

How to join: You may request to join the Flourish group on The City or provide your email address to Christine or Terrie and they will send you an invitation.
